18th March, 1869.

NOTICE is hereby given that Sealed Tenders, addressed to the Honourable the Auditor-General, and marked "Tender for Inland Mails," will be received by that Officer until Tuesday, the 13th April, 1869, at 12 noon, for the conveyance of the following Mails:—

1st. Of the Mails between the Wellington Railway Station (*viâ* the Post Office at Wellington) and Worcester.

2nd. Of the Mails between the Wellington Railway Station (*viâ* the Post Office at Wellington) and Ceres.

3rd. Of the Mails between the Wellington Railway Station (*viâ* the Post Office at Wellington) and Darling Bridge.

4th. Of the Mails between Darling Bridge and Ceres.

5th. Of the Mails between Darling Bridge and Worcester.

The above Mails to leave, as at present, the Wellington Station on Tuesdays and Thursdays, after the arrival of the first Train, and the Wellington Post Office on Sunday mornings; and to leave Worcester and Ceres on Mondays, Wednesdays, and Fridays, to reach Cape Town by the second Train on those days.

The conveyance time required to be specified by the Contractor.

The Contract to commence from the 1st June, 1869, and to terminate on the 31st December, 1872; but either of the contracting parties will be at liberty to terminate the same upon giving four months' notice, in writing, to that effect.

GENERAL CONDITIONS.

No Tender will be attended to unless prepared in proper form, in conformity with this Notice, and of which copies may be obtained either at this Office, or that of the respective Civil Commissioners and Postmasters.

The Tenders must include all intermediate Post Offices between Stations.

It is desired that the Tenderers should state the number of relays of Horses to be used, and the Stations at which they will be kept; as, also, at what price they will engage to convey extra Posts or Expresses on Horseback on the Post Line for which they tender.

Payment will be made to the Contractor monthly, either at the Colonial Treasury in Cape Town, or by the Civil Commissioners of any Division he may select; *provided the Contract Bond shall previously have been transmitted to this Office*, duly completed, which Bond the Contractor will be required to execute in the presence of two competent Witnesses, together with two good and approved Sureties, to be provided by him, for the due fulfilment of the Contract; and he must accompany his Tender with a written engagement from his Sureties to bind themselves as such; as, also, with a Certificate from the Civil Commissioner or Resident Magistrate of the District in which he resides, as to the sufficiency of such Sureties. In the Tender, the names of the Contractor and his Sureties should be stated at full length, and their respective occupations should also be mentioned therein. The Security required will, in each case, be equal to the payment to be made by Government to the Contractor for one year of the Contract.

The Contractor will be required to provide his own means of conveyance for crossing rivers, without detention; and all penalties for delay, from whatever cause arising, will be rigidly exacted. Any party tendering is required to specify in his Tender the means to be adopted by him for crossing or avoiding swollen rivers, either by applying some contrivance, or leaving the usual line, and also the delay, if any, to be allowed on such occasions.

The Tenderers are required to convey the Mails in covered Carts on springs, conveyed by not fewer than two horses each.

The Contractor's Carts are to be light, but strong, sufficiently large to contain the Mail Bags, and to be furnished with Waterproof Wells, or Boxes, with strong Locks and Keys, to hold the Mail Packets, for enclosing and securing which it will be necessary for the Contractor to supply Waterproof Bags; or, failing these, the Cart is to be supplied with Tarpaulins, to be strapped over it and over any Mail Packets that may have to be secured to it, and which are to be lashed on with good stout *riems*. The Carts to be provided with two good Lamps, with strong Reflectors, which are to be kept lighted at night when travelling.

The Contractor is bound, at his own expense, to provide the means of protecting the Mail Packets from the weather, or injury in transferring them from one Post Cart to another, on the line of road herein referred to, and will be held responsible for any damage which may occur to them whilst being transferred from his charge.

The Contractor will be at liberty to carry such number of Passengers or *Parcels* in the Mail Vehicle as he may think fit, and to make his own charge for the accommodation thus afforded; *provided that part of the Box or Well of the Cart specially to be appropriated for the Mail shall not be mixed up with any other Packets, &c., not appertaining to such Mail.*

But the Contractor will not be allowed to carry in his Vehicles, by himself or any of his Servants, any Letters or Newspapers, excepting those delivered to him by the respective Postmasters, or for delivery at any Post Office, nor are they knowingly to permit any Passenger to carry any Letter or Newspaper.

The Post Rider shall be provided by the Contractor with a Bugle or Horn, to be sounded when approaching any Post Office or Post Station.

For any detention of the Mail, or any part thereof, beyond the time specified for the distance allowed, the Contractor shall forfeit according to the following scale:—

	£	s.	d.
For every period not exceeding half an hour	0	2	6
half an hour, and not exceeding one hour	0	7	6
one hour, and not exceeding an hour and a half	0	15	0
hour and a half, and not exceeding two hours	1	5	0
hours, and not exceeding two hours and a half	2	0	0
for every additional [illegible] two hours and a half, the additional sum of [illegible]			

In the event of the Contractor failing or neglecting for three Posts in succession to convey the Mails within the time herein stipulated, the Postmaster-General for the time being, in that case to have it in his power, should he so think fit, to advertise for Tenders for a new Contract without any reference to the clause for giving four months' notice for an earlier termination thereof (which clause is to be null and void); and any loss that may accrue by reason that the terms of the new Contract are higher than the terms of the old is to be borne by the Contractor.

And inasmuch as serious irregularities have arisen from changing Vehicles and shifting the Mails, the Contractor will have to bind himself that as often as any Post Bag of his shall receive any Mail Bags or Post Office Packets into any Vehicle at any Post Office, such Bags and Packets shall be carried to their destination in the same Vehicle, and that none of the said Bags or Packets shall, between the Post Office where the same were received and the Post Office where the same should be delivered, be shifted or removed from that Vehicle to any other Vehicle or mode of conveyance, unless with the permission and in the presence of some Postmaster, or unless the Vehicle carrying the same shall, by accident or other cause arising after the same shall have been received, be rendered incapable of carrying on the Mail to its destination. And for any and every breach of this stipulation the Contractor will have to pay to the Postmaster-General for the time being whatever penalty he shall see fit to demand, not exceeding Twenty-five Pounds sterling.

In case any Bag, Packet, or other part of any Mail shall not be regularly delivered at the same time as the rest thereof, the Contractor shall be bound to pay to the Postmaster-General, for or in respect of every such lost or missing Bag, Packet, or other part of any Mail, such sum as the said Postmaster shall see fit to demand, not exceeding Twenty-five Pounds Sterling, unless the Contractor shall prove that such Bag, Packet, or other part of any such Mail was lost or delayed by inevitable accident against which it was impossible to guard. And the Contractor shall likewise be liable to the Postmaster-General, claiming on behalf of whom it may concern, to make good all loss or damage sustained by any Person whomsoever, by reason that any Mail or Bag, Parcel, or other part of any Mail, shall have been lost or delayed for want of due and proper care and diligence of the Contractor, or any person in his service.

Should the said Contractor fail in the performance of his agreement at any period during the existence of the same, then, and in that case, it shall be lawful for the Postmaster-General for the time being, and for all Persons thereto authorised by him, to hire, or cause to be hired, such Person or Persons, Horse or Horses, as shall be required for the due performance thereof; and all and every expense attendant upon the same shall be borne and sustained by the said Contractor.

And it is lastly agreed that in case of any act of omission constituting a breach by the Contractor of any of the provisions or stipulations of this Contract, not being an act or omission for which any other particular penalty is hereinbefore provided, the Postmaster-General shall have the option of claiming from the Contractor, for and on account of every such act or omission, respectively, the payment of Ten Pounds Sterling, by way of assessed and liquidated damages, and not as a penalty; or otherwise, of claiming and recovering such further or other sum as the said Postmaster shall prove to be the amount of loss or damages actually sustained from or by reason of such act or omission.

The Contractor will be bound to provide a passage in his Mail Conveyance for an Officer of this Department, when travelling on public business, without charge, when required so to do.

Further information may be obtained on application at the Office of the Postmaster-General.

CHARLES PIERS, Postmaster-General.

Verslag van de Kaapsche Spaarbank voor 1868.

Het Acht-en-Dertigste Jaarlijksche Verslag van het Bestuur der Kaapsche Spaarbank aan de Algemeene Vergadering der Leden, gehouden op den 27sten Maart, 1869.

HET Comité heeft weder eene vermeerdering te melden, zoowel in het aantal Inleggers als in het bedrag hunner Deposita.

De vermeerdering van Inleggers is 141 geweest, nl.: Individueel, 131, en Weeverzorg- en andere Maatschappijen, 10; het totale gros aantal op de boeken was op 31 December, 4,151; en de hoeveelheid met deposita, vergeleken met 1868, is geweest:

Door 3,956 Individuele Inleggers	£3,543	4	8
„ 171 Fondsen van Maatschappijen	305	11	5
„ 25 Takbanken	9,628	7	0
Of te zamen	£19,237	2	10

Zoodat £214,026 6s. 5d. overblijven voor het kredit der Inleggers in het algemeen tegen £194,791 5s. 7d. voor het voorgaande jaar, 1867.

Het aantal rekeningen die gesloten werden, was 366, en van nieuwe rekeningen, die werden geopend, 527.

Bij eene vergelijking van de Ontvangsten van het laatste jaar met die van 1867, zal men bevinden, dat de deposita £2,356 0s. 2d. minder waren in 1868, maar aan den anderen kant bedragen de teruggenomen sommen £10,044 3s. 11d. minder, hetgeen bewijst, dat de toename, waarvan boven is gewag gemaakt, meer werd toegeschreven aan het bedrag van interest, £9,301 14s., toegestaan op de toen opene rekeningen. Dit kan mitsdien als een bewijs worden aangemerkt, dat vele der Inleggers eene klasse van lieden zijn, die geen gebruik zouden maken van de Inrigting, indien er elders en andere middelen van belegging waren met evenveel gelijke zekerheid, tegen een gelijken interest; en deze toename heeft plaats gehad, in weerwil van een reglement, dat wellicht het Bestuur noodig achtte te maken in December ll., dat de Deposita van individuen geene £100 mogten te boven gaan, behalve door oplooping van interest, of in het geval van ambachtslieden en anderen, tot wier voordeel de Bank werkelijk was opgerigt, en van wie men niet kan verwachten, dat zij hunne besparingen op eene andere wijze kunnen bewaren of administreren. Voor zulke lieden is het Comité, op bijzonder verzoek, bereid geweest, zich aan de administratie te wagen, alsdoon de tegenwoordige gehaalde waarde van Vastgoed, tegen belegginge, hoe zorgvuldig die ook worden gedaan, te dikwijls onzeker maakt, wanneer het noodzakelijk wordt tegen de Debiteuren stappen te nemen voor interest of kapitaal. Het is echter verblijdend te kunnen melden, dat het aantal personen, wier deposita geene £100 te boven gaan, 3,628 is; terwijl die, wier deposita tusschen £100 en £300 bedragen, slechts 327 is; ontstaande het cijfer in die boven £200, en velen bemeden die som, uit de jaarlijksche opeenhooping van interest, aan welke het Comité thans niet wenscht iets in den weg te leggen.

Het Besellermingsfonds is weder aan zijnen ondeelbaren gewest. Op den 1sten January, 1864, stond het op £10,363 7s. 3d.; en op den 31sten December, 1868, op £19,683 14s. 6d.: maar sedert is het door het noodzakelijk afschrijven van kwade schulden verminderd tot £13,142 18s. 11d.

Dus weet er in 1865 op het Debit van het Fonds geplaatst

In 1866	£522	16	14
In 1867	393	17	7
In 1868	4,129	13	6
Of in Vier Jaren	£5,316	5	3

De overgeschoten Interest, gekredilteerd aan het Fonds, heeft eenigermate de Vermindering gewijzigd; maar het feit blijft, dat, hoewel deze Bank, te zamen met andere Inrigtingen, niet kan verwachten vrij van verlies te blijven, het bestuur van dezen Waarborg een onbetwistbare bescherming aan Inleggers verleent, die het voordeel genieten, zonder het gevaar te loopen. De verliezen kwamen evenwel niet in kas, gelijk gedurende de gemelde Jaren voor, maar vele daarvan waren het gevolg van het afsluiten van Boedels, die lang te voren waren overgegeven.

Het Bedrag, belegd in Verbanden, was op 31 December laatstleden, £202,930 4s. 1d. met 465 Debiteuren, en het kontant geld in de Zuid Afrikaansche Bank was op denzelfden dag, £10,397 6s. 3d.

Gedurende het Jaar is uw Comité verpligt geweest, een onderzoek in te stellen betreffende een groot ongeoorloofd verlies, hetwelk is geleden in den Tak van George, veroorzaakt door den ongeauthoriseerden inleg van de gelden der Spaarbank in de Afdeelingsbank van George, en de operaties der Bank werden dientengevolge opgeschort. De Fondsen kwamen evenwel ten slotte terugt, en de Tak zal heropend worden onder zekere voorgeschrevens kondition, welke, naar men gelooft, het voorkomen van zulke ongeregeldheden in de toekomst zullen beletten.

De gewone Rapporten en Rekeningen van den Boekhouder worden hierbij voorgelegd.

Spaarbank, Kaapstad, 27 Maart, 1869.

Manager and Secretary.—William Cleland.

This Company having a Revenue from Premiums alone of One Hundred and Forty Thousand Pounds per Annum, is in a position to transact every description of LIFE ASSURANCE on as favourable terms as any *other Company* of equal standing.

Holders of Life Policies on the profit scale, who may hereafter fill confidential situations and require to be guaranteed, may secure considerable reductions in their life premiums, by making their life policies contingent on the continuance of fidelity.

Three fourths of the Profits are divisible amongst the Policy-holders on the "Profit Scale of Premiums," affording the advantages of Mutual Assurance, with the further security of a large subscribed capital, the prudent employment of which gives a greater ratio of increase to business and to profits than a purely Mutual Society can achieve.

Assurances are granted for £10,000 on a single life.

Premiums may be paid in one sum, or yearly, or by half-yearly, or quarterly instalments.

Policies upon which five years' payments have been made, are purchased by the Society or the Policy-holders, if unable to continue paying, may receive fresh Policies in exchange (on which no further payment is required), equivalent to the then value of the Premiums already paid.

On Policies amounting to £200 and upwards for the whole of life, one-half of the Premium may remain unpaid at Interest for five years.

No extra Premium charged for voyage to and residence in any part of Europe, New Zealand, Australia (except at the "Diggings,") the Cape Colony, or British America.

This is the only Society transacting Life Assurance with Fidelity Guarantee, whose Policies of Guarantee are authorized (by Special Act of Parliament) to be accepted by Government.

The Guarantee Policies of this Society are accepted by the Treasury, Poor Law Board, and other public departments, and by the leading London and Provincial Joint-Stock and Private Banks, the principal Railway Companies, Life and Fire Offices, Public Companies, Institutions, and Commercial Firms throughout the Kingdom.

Immediate Annuities payable during the whole of Life may be purchased on the following Scale :

Annuities granted at the undermentioned Agents for every £100 of Purchase Money.

option of the Assured, half-yearly, with a slight increase of the Rate.

This being a MUTUAL ASSURANCE SOCIETY, the profits are not, as in Proprietary Companies, divided between the Partners and the Assured,—the *whole* belong to the Policyholders.

The Profits are divided amongst the holders of Policies at the termination of every period of THREE YEARS, and each holder may determine that his share shall be added to the sum assured by him,—or converted into Present Payment—or applied in Reduction of the future Annual Premiums payable by him.

The last Division was declared at the Annual Meeting held on the 6th July, 1868. The Profits then divided were at the rate of **2½** per cent. per annum, or **7½** per cent. for the three years. Thus a Policy of **£500**, taken out before 1st November, 1865, has **£37 10s.**, three years' Profits added to it; a Policy of the same amount, taken out before, 1st November, 1867, has **£12 10s.**, one year's Profits added; while the total accumulated Profits on a Policy of **£500**, taken out in 1845, the first year of the Society's existence, now amount to the large sum of **£401 0s. 4d.**

The next Division of Profits will take place in July, 1871.

Persons proposing for assurance will be required to produce *Certificates of Baptism*, or such other proofs of age as the Directors may deem to be satisfactory.

Candidates for assurance are *not* charged with fees payable to the *Medical Officers* of the Society.

Prospectuses, Forms of Proposal, and all information respecting the Society may be obtained at the Office in Cape Town, or at any of the Agencies throughout the Colony

SALE BY PUBLIC AUCTION OF DESIRABLE Dwelling Houses,

FOR ACCOUNT OF MR. GEORGE GAIN,

ON MONDAY,

THE 5TH APRIL, 1869.

THE Undersigned have received instructions to sell as above, the following eligible Properties, viz.:—

1.—The compact, comfortable Residence "Myrtle Villa," No. 15, Roeland-street. It comprises seven good Rooms and a Loft, Kitchen, and Conveniences. "Myrtle Villa" was planned and erected by Mr. JAMES WILEY for occupation by himself. The chief part of the Buildings is under an excellent Slate Roof, and all are in good order, not likely to require any repairs of moment for years to come. "Myrtle Villa" is thrown back from the street and fronted by a pretty Garden. From its pleasant, open, salubrious, and cleanly neighbourhood it offers to a small Family one of the most eligible Residences (*and of such there is a dearth*) to be met with. *To Investors of Capital, it may be remarked that "Myrtle Villa" is now let to Dr. INNES, at £60 per annum, and that he is most desirous of keeping possession of it at this moderate rate of Rent.*

2.—The DWELLING-HOUSE in Buitenkant, corner of Roeland-street, now occupied by Mr. W. MÖLLER. It comprises five Rooms, Kitchen, and Conveniences, has a spacious Stoep, and is an airy, healthful Residence.

☞ *The Sale will commence with "Myrtle Villa," at 11 o'clock.*

Cape of Good Hope Savings Bank Report and Statements, 1868.

The Thirty-Eighth Annual Report of the Committee of Management of the Cape of Good Hope Savings Bank Society, to the General Meeting of the Members held on the 27th March, 1869.

YOUR Committee have again to report an increase, both in the number of Depositors and in the amount of their Deposits.

The addition to the Depositors has been 141, namely. Individual, 131, and Provident and other Societies, 10; the total gross number on the Books being on the 31st December, 4,151; and the increase in Deposits, as compared with 1867, has been:

By 3,955 Individual Depositors	£9,543	4	5
By 171 Society Funds	865	11	5
By 25 Branch Banks	9,828	7	0
or together	£19,237	2	10

leaving £214,028 8s. 5d. to credit of the Depositors generally, as against £194,791 5s. 7d. for the preceding year, 1867.

The number of Accounts closed was 386, and of new Accounts opened 527.

On comparing the last year's receipts with those for 1867, it will be found that the Deposits were £5,226 0s 2d. less in 1868; but, on the other hand, the sums withdrawn show £10,044 3s. 11d. less, which proves that the increase, as before alluded to, must be attributed to the amount of Interest, £9,301 14s., allotted to the then open Accounts. This may, perhaps, be taken to show that many of the Depositors are of a class of persons who would not take advantage of the Institution if there were other means of investment with anything like equal security elsewhere, at an equal rate of Interest; and this increase has taken place, notwithstanding a regulation which the Committee considered itself called upon to make in May last, that the deposits of individuals should not be allowed to exceed £100, except by accumulation of interest, or in the case of Mechanics and others for whose benefit the Bank was in reality established, and who cannot be expected to secure or administer their savings in any other manner. For such persons, the Committee has been willing, upon special application, to incur the risk of administration, notwithstanding that the present depreciated value of Landed Property renders their Investments, however carefully they have been made, too often insecure when it becomes necessary to proceed against the Debtors for Interest or Principal. It is, however, gratifying to be able to state that the number of persons whose Deposits do not exceed £100 is 3,628; whilst those whose Deposits range between £100 and £300 is only 327; the excess in those above £200 (and many under that sum) arising from the annual accumulation of interest, which the Committee do not at present wish to disturb.

The Protecting Fund has been again subjected to decrease. On the 1st January, 1864, it stood at £19,365 7s. 3d., and on the 31st December, 1866, at £19,683 11s. 8d., but has since then, by the necessary writing off of bad debts, been reduced to £13,112 18s. 11d. Thus in 1865 there was carried to the debt of the Fund £522 18 11

In 1866	389	17	7
In 1867	4128	13	6
In 1868	3274	16	2
or in four years	£8,316	5	2

The surplus Interest credited to the Fund has in some measure modified the reduction; but the fact remains that although this Bank cannot, in common with other institutions, expect to be free from loss, the existence of this guarantee is an unquestionable safeguard to the Depositors, who reap the benefit without the risk. The losses, however, did not wholly occur during the years mentioned, but have, many of them, resulted from the closing of Estates surrendered at long anterior periods.

The amount invested in Bonds on the 31st December last was £202,930 4s. 1d., with 465 Debtors; and the Cash in the South African Bank on the same day was £10,521 6s. 3d.

During the year your Committee have been obliged to make an inquiry in regard to a large apparent deficiency in the George Branch, caused by the unauthorized deposit of the Savings Bank moneys in the George Divisional Bank, and the operations of the Branch were accordingly suspended. The Funds were, however, ultimately forthcoming, and the Branch will be re-opened under certain prescribed conditions, which, it is believed, will prevent the occurrence of irregularities in future.

The usual Statements and accounts of the Bookkeeper are herewith submitted.

NOTICE is hereby given that Sealed Tenders, addressed to the Honourable the Auditor-General, and marked "Tender for Inland Mails," will be received by that Officer until Tuesday, the 13th April, 1869, at 12 noon, for the conveyance of the following Mails:—

1st. Of the Mails between the Wellington Railway Station (*viâ* the Post Office at Wellington) and Worcester.

2nd. Of the Mails between the Wellington Railway Station (*viâ* the Post Office at Wellington) and Ceres.

3rd. Of the Mails between the Wellington Railway Station (*viâ* the Post Office at Wellington) and Darling Bridge.

4th. Of the Mails between Darling Bridge and Ceres.

5th. Of the Mails between Darling Bridge and Worcester.

The above Mails to leave, as at present, the Wellington Station on Tuesdays and Thursdays, after the arrival of the first Train, and the Wellington Post Office on Sunday mornings; and to leave Worcester and Ceres on Mondays, Wednesdays, and Fridays, to reach Cape Town by the second Train on those days.

The conveyance time required to be specified by the Contractor.

The Contract to commence from the 1st June, 1869, and to terminate on the 31st December, 1872; but either of the contracting parties will be at liberty to terminate the same upon giving four months' notice, in writing, to that effect.

GENERAL CONDITIONS.

No Tender will be attended to unless prepared in proper form, in conformity with this Notice, and of which copies may be obtained either at this Office, or that of the respective Civil Commissioners and Postmasters.

The Tenders must include all intermediate Post Offices between Stations.

It is desired that the Tenderers should state the number of relays of Horses to be used, and the Stations at which they will be kept; as, also, at what price they will engage to convey extra Posts or Expresses on Horseback on the Post Line for which they tender.

Payment will be made to the Contractor monthly, either at the Colonial Treasury in Cape Town, or by the Civil Commissioner of any Division he may select; *provided the Contract Bond shall previously have been transmitted to this Office*, duly completed, which Bond the Contractor will be required to execute in the presence of two competent Witnesses, together with two good and approved Sureties, to be provided by him, for the due fulfilment of the Contract; and he must accompany his Tender with a written engagement from his Sureties to bind themselves as such; as, also, with a Certificate from the Civil Commissioner or Resident Magistrate of the District in which he resides, as to the sufficiency of such Sureties. In the Tender, the names of the Contractor and his Sureties should be stated at full length, and their respective occupations should also be mentioned therein. The Security required will, in each case, be equal to the payment to be made by Government to the Contractor for one year of the Contract.

The Contractor will be required to provide his own means of conveyance for crossing rivers, without detention; and all penalties for delay, from whatever cause arising, will be rigidly exacted. Any party tendering is required to specify in his Tender the means to be adopted by him for crossing or avoiding swollen rivers, either by applying some contrivance, or leaving the usual line, and also the delay, if any, to be allowed on such occasions.

The Tenderers are required to convey the Mails in covered Carts on springs, conveyed by not fewer than two horses each.

The Contractor's Carts are to be light, but strong, sufficiently large to contain the Mail Bags, and to be furnished with Waterproof Wells, or Boxes, with strong Locks and Keys, to hold the Mail Packets, for enclosing and securing which it will be necessary for the Contractor to supply Waterproof Bags; or, failing these, the Cart is to be supplied with Tarpaulins, to be strapped over it and over any Mail Packets that may have to be secured to it, and which are to be lashed on with good stout *riems*. The Carts to be provided with two good Lamps, with strong Reflectors, which are to be kept lighted at night when travelling.

The Contractor is bound, at his own expense, to provide the means of protecting the Mail Packets from the weather, or injury in transferring them from one Post Cart to another, on the line of road herein referred to, and will be held responsible for any damage which may occur to them whilst being transferred from his charge.

The Contractor will be at liberty to carry such number of Passengers *or Parcels* in the Mail Vehicle as he may think fit, and to make his own charge for the accommodation thus afforded; *provided that part of the Box or Well of the Cart specially to be appropriated for the Mail shall not be mixed up with any other Packets, &c., not appertaining to such Mail.*

But the Contractor will not be allowed to carry in his Vehicles, by himself or any of his Servants, any Letters or Newspapers, excepting those delivered to him by the respective Postmasters, or for delivery at any Post Office, nor are they knowingly to permit any Passenger to carry any Letter or Newspaper.

The Post Rider shall be provided by the Contractor with a Bugle or Horn, to be sounded when approaching any Post Office or Post Station.

For any detention of the Mail, or any part thereof, beyond the time specified for the distance allowed, the Contractor shall forfeit according to the following scale:—

	£	s.	d
For every period not exceeding half an hour –	0	2	6
" half an hour, and not exceeding one hour –	0	7	6
" one hour, and not exceeding an hour and a half – – – – – – – – –	0	15	0
" one hour and a half, and not exceeding two hours – – – – – – –	1	5	0
two hours, and not exceeding two hours and a half – – – – – – – –	2	0	0

and for every additional half-hour beyond two hours and a half, the additional sum of Ten Shillings.

In the event of the Contractor failing or neglecting for three Posts in succession to convey the Mails within the time herein stipulated, the Postmaster-General for the time being, in that case to have it in his power, should he so think fit, to advertise for Tenders for a new Contract without any reference to the clause for giving four months' notice for an earlier termination thereof (which clause is to be null and void); and any loss that may accrue by reason that the terms of the new Contract are higher than the terms of the old is to be borne by the Contractor.

And inasmuch as serious irregularities have arisen from changing Vehicles and shifting the Mails, the Contractor will have to bind himself that as often as any Post Boy of his shall receive any Mail Bags or Post Office Packets into any Vehicle at any Post Office, such Bags and Packets shall be carried to their destination in that same Vehicle, and that none of the said Bags or Parcels shall, between the Post Office where the same were received and the Post Office where the same should be delivered, be shifted or removed from that Vehicle to any other Vehicle or mode of conveyance, unless with the permission and in the presence of some Postmaster, or unless the Vehicle carrying the same shall, by accident or other cause arising after the same shall have been received, be rendered incapable of carrying on the Mail to its destination. And for any and every breach of this stipulation the Contractor will have to pay to the Postmaster-General for the time being whatever penalty he shall see fit to demand, not exceeding Twenty-five Pounds sterling.

In case any Bag, Packet, or other part of any Mail shall not be regularly delivered at the same time as the rest thereof, the Contractor shall be bound to pay to the Postmaster-General, for or in respect of every such lost or missing Bag, Packet, or other part of any Mail, such sum as the said Postmaster shall see fit to demand, not exceeding Twenty-five Pounds Sterling, unless the Contractor shall prove that such Bag, Packet, or other part of any such Mail was lost or delayed by inevitable accident against which it was impossible to guard. And the Contractor shall likewise be liable to the Postmaster-General, claiming on behalf of whom it may concern, to make good all loss or damage sustained by any Person whomsoever, by reason that any Mail or Bag, Parcel, or other part of any Mail, shall have been lost or delayed for want of due and proper care and diligence of the Contractor, or any person in his service.

Should the said Contractor fail in the performance of his agreement at any period during the existence of the same, then, and in that case, it shall be lawful for the Postmaster-General for the time being, and for all Persons thereto authorized by him, to hire, or cause to be hired such Person or Persons, Horse or Horses, as shall be required for the due performance thereof; and all and every expense attendant upon the same shall be borne and sustained by the said Contractor.

And it is lastly agreed that in case of any act of omission constituting a breach by the Contractor of any of the provisions or stipulations of this Contract, not being an act or omission for which any other particular penalty is hereinbefore provided, the Postmaster-General shall have the option of claiming from the Contractor, for and on account of every such act or omission, respectively, the payment of Ten Pounds Sterling, by way of assessed and liquidated damages, and not as a penalty; or otherwise, of claiming and recovering such further or other sum as the said Postmaster shall prove to be the amount of loss or damages actually sustained from or by reason of such act or omission.

The Contractor will be bound to provide a passage in his Mail Conveyance for an Officer of this Department, when travelling on public business, without charge, when required so to do.

Further information may be obtained on application at the Office of the Postmaster-General.

This being a MUTUAL ASSURANCE SOCIETY, the profits are not, as in Proprietary Companies, divided between the Partners and the Assured,—the *whole* belong to the Policy-[redacted]

[redacted]

The last Division was declared at the Annual Meeting held on the 6th July, 1868. The Profits then divided were at the rate of 2½ per cent. per annum, or 7½ per cent. for the three years. Thus a Policy of £500, taken out before 1st November, 1865, has £37 10s., three years' Profits added to it; a Policy of the same amount, taken out before, 1st November, 1867, has £12 10s., one year's Profits added; while the total accumulated Profits on a Policy of £500, taken out in 1845, the first year of the Society's existence, now amount to the large sum of £401 0s. 4d.

The next Division of Profits will take place in July, 1871.

Persons proposing for assurance will be required to produce *Certificates of Baptism*, or such other proofs of age as the Directors may deem to be satisfactory.

Candidates for assurance are *not* charged with fees payable to the *Medical Officers* of the Society.

The following amended rules have been substituted for the existing rules Nos. 28, 29, and 44, respectively:—

Candidates intending to undergo examination in Literature and Science, in Law and Jurisprudence, in Land-surveying, Civil Engineering, and Navigation, at the usual Examinations of the Board, must lodge notice with the Secretary to that effect, on or before the 1st of March immediately preceding, intimating at the same time, in the case of optional subjects inserted in the syllabus, those they have chosen for examination.

44. As often as it shall be made to appear to the Board, by notices received before the 1st of March, that there will be ten Candidates, at least, for the several Certificates of the Board, at the time of their Annual Session in the ensuing June, at any town in the Colony, the Board shall communicate with the Government on the subject, and shall, in accordance with the 5th Section of Act No. 4 of 1863, subject to the sanction of the Governor, appoint a Commissioner, being a member of the Board, or, if necessary, not a member of the Board, to preside at the Examination at such place, as nearly as possible simultaneously with the Examinations in Cape Town.

Any Candidate who would have been able to compete for any Prize, Bursary, or Exhibition in January, 1870, will not be held to be disqualified from competing in June, 1870, notwithstanding the restrictions of Rule 31.

VICTORIA, by the Grace of God of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith,

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy, greeting:

WHEREAS upon the Petition of JACOBUS FREDERICUS GERHARDUS PIETERSEN, of Cape Town, in his capacity as the Secretary of the General Estate and Orphan Chamber, and Agent of WILLIAM PAPILLON JAMISON, to the Hon'ble the Chief Justice and the Judges of the Supreme Court of our said Colony, against HENRY PAVER, late of Bedford, it appears to us that the said HENRY PAVER is justly and truly indebted to the said WILLIAM PAPILLON JAMISON in the sum of five hundred pounds sterling, with interest thereon from the 1st of April, 1867, and £2 9s. for premiums of insurance advanced upon and by virtue of a certain Mortgage Bond, dated the 18th of March, 1862, passed and executed by the said HENRY PAVER in favour of the said WILLIAM PAPILLON JAMISON, under Special Mortgage of certain Lots of Ground and Buildings situated in the Gardens, near Cape Town, part of the "Hope Estate:" And whereas it further appears that the said HENRY PAVER hath no domicile in Bedford, having left the District, and is said now to reside at Fauresmith, or Philippolis, in the Free State, and that he hath departed from this Colony with intent to defeat or delay the payment of his Debt aforesaid, and that the said HENRY PAVER did thereby commit an act of Insolvency, whereupon the said JACOBUS FREDERICUS GERHARDUS PIETERSEN, in his aforesaid capacity, on behalf of the said WILLIAM PAPILLON JAMISON prayed that the Estate of the said HENRY PAVER might be sequestrated for the benefit of the Creditors of the said Estate: And whereas it further appears to us of record that the Honourable JAMES COLEMAN FITZPATRICK, Esquire, one of the Judges of the Supreme Court of our said Colony, did, by an order under his hand, dated the 17th of April, 1869, place the Estate of the said HENRY PAVER under Sequestration in the hands of the Master of the said Court, until the same should be thereafter adjudged to be sequestrated or the said petition should be discharged:

Now, therefore, we command you that you summon the said HENRY PAVER, that he be before our Justices of the Supreme Court of our said Colony at Cape Town, on the 20th day of May, 1869, at 10 o'clock in the forenoon, to show cause, if he have any, why his Estate should not by sentence of the said Court be adjudged to be sequestrated for the benefit of his Creditors, and return you then there this Writ, with whatsoever you have done thereon.

Witness: The Honourable SYDNEY SMITH BELL, Esq., acting as our Chief Justice of our said Colony at Cape Town, the 19th day of April, 1869, in the 32nd year of our Reign.

This Company having a Revenue from Premiums alone of One Hundred and Forty Thousand Pounds per Annum, is in a position to transact every description of LIFE ASSURANCE on as favourable terms as any *other Company* of equal standing.

Holders of Life Policies on the profit scale, who may hereafter fill confidential situations and require to be guaranteed, may secure considerable reductions in their life premiums, by making their life policies contingent on the continuance of fidelity.

Three fourths of the Profits are divisible amongst the Policy-holders on the "Profit Scale of Premiums," affording the advantages of Mutual Assurance, with the further security of a large subscribed capital, the prudent employment of which gives a greater ratio of increase to business and to profits than a purely Mutual Society can achieve.

Assurances are granted for £10,000 on a single life.

Premiums may be paid in one sum, or yearly, or by half-yearly, or quarterly instalments.

Policies upon which five years' payments have been made, are purchased by the Society or the Policy-holders, if unable to continue paying, may receive fresh Policies in exchange (on which no further payment is required), equivalent to the then value of the Premiums already paid.

On Policies amounting to £200 and upwards for the whole of life, one-half of the Premium may remain unpaid at Interest for five years.

No extra Premium charged for voyage to and residence in any part of Europe, New Zealand, Australia (except at the "Diggings,") the Cape Colony, or British America.

This is the only Society transacting Life Assurance with Fidelity Guarantee, whose Policies of Guarantee are authorized (by Special Act of Parliament) to be accepted by Government.

The Guarantee Policies of this Society are accepted by the Treasury, Poor Law Board, and other public departments, and by the leading London and Provincial Joint-Stock and Private Banks, the principal Railway Companies, Life and Fire Offices, Public Companies, Institutions, and Commercial Firms throughout the Kingdom.

Immediate Annuities payable during the whole of Life may be purchased on the following Scale:

VICTORIA, bij de Gratie Gods, Koningin van het Verecnigde Koningrijk van Groot Brittannie en Ierland, Handhaafster van het Geloof. Aan den Baljuw van de Kolonie Kaap de Goede Hoop, of zijn wettigen Gedeputeerde.—Salut.

NADEMAAL ons uit de Petitie van JACOBUS FREDERICUS GERHARDUS PIETERSEN, van Kaapstad, in diens hoedanigheid van Secretaris des Algemeene Boedel en Weeskamer, en Agent van WILLIAM PAPILLON JAMIESON, aan hun Edel Achtbaren, den Hoofdregter en de Regters bij het Hoog Geregtshof onzer gezegde Kolonie tegen HENRY PAVER, laatst wonende te Bedford, is gebleken, dat de gezegde HENRY PAVER, regtmatig en naar waarheid aan den gezegden WILLIAM PAPILLON JAMIESON schuldig is de som van vijf honderd pond sterling met den interest daarop van af den 1sten April, 1867, en £2 9s. voor premie van Assurantie voorgeschoten naar en uit krachte van zeker Hijpothekair verband, gedateerd den 18den Maart, 1862, gepasseerd en geexecuteerd door den gezegden HENRY PAVER ten faveure van den gezegden WILLIAM PAPILLON JAMIESON onder speciaal verband van zekere stukken Grond en Gebouwen, gesitueerd in de Tuinen, nabij Kaapstad, zijnde een gedeelte van het Landgoed "Hope." En naardemaal verder blijkt, dat de gezegde HENRY PAVER geen domicilium heeft in Bedford, als hebbende het Distrikt verlaten, en dat hij gezegd wordt nu woonachtig te zijn te Fauresmith of Philippolis, in den Oranje Vrijstaat, en dat hij deze Kolonie heeft verlaten met oogmerk om de betaling van zijne vorengezegde schuld te ontgaan of te vertragen, en dat de gezegde HENRY PAVER daarmede de daad van insolvent gaan heeft gepleegd, waarop de gezegde JACOBUS FREDERICUS GERHARDUS PIETERSEN in zijne vorengezegde hoedanigheid, ten behoeve van den gezegden WILLIAM PAPILLON JAMIESON, verzocht heeft dat de Boedel van den gezegden HENRY PAVER mogt worden gesekwestreerd ten bate der Crediturен van gezegden Boedel. En naardemaal ons verder bij proces verbaal is gebleken, dat de Edel Achtbare Heer JAMES COLEMAN FITZPATRICK, een der Regters bij ons Hoog Geregtshof der gezegde Kolonie bij lastgeving onder zijne handteekening, gedateerd den 17den April, 1869, den Boedel van gezegden HENRY PAVER heeft geplaatst onder sekwestratie in handen van den Meester van het Hoog Geregtshof, tot dat dezelve hierna zou worden verweven tot sekwestratie, of de gezegde petitie zou worden gedechargeerd;

Zoo gelasten wij u, den gezegden HENRY PAVER te dagvaarden om te verschijnen voor onze Regters van ons gezegd Hoog Geregtshof van de Kaap de Goede Hoop, te Kaapstad, op den 20sten dag van Mei, 1869, ten 10 ure 's voormiddags, ten einde redenen op te geven, indien hij dien heeft, waarom zijn Boedel niet bij vonnis van het gezegd Hof onder Sekwestratie zal worden gesteld ten voordeele zijner Crediteuren, en daar weer deze dagvaarding te remitteren met wat daarop door u is gedaan.

GOVERNMENT NOTICE.—No. 122, 1869.

HIS Excellency the Lieutenant-Governor directs it to be notified that two Vessels have arrived in the harbour of Port Natal from Australia conveying a number of Passengers, who have informed certain officers of this Government, at Durban, that they have come to Natal under a misapprehension, which is widely spread in Australia, that what are there termed "payable gold-fields" exist either in Natal or the country of the Chief Moselikatse, at a distance of upwards of eight hundred miles in the interior of Africa, and beyond the territories of the [illegible] or South African Republic.

The Lieutenant-Governor considers it advisable to inform the Public generally, both in Natal and elsewhere, that this Government is not in possession of evidence of the existence of Gold in remunerative quantities, either in Natal or in the territories referred to, although auriferous spots have been discovered in both.

The Lieutenant-Governor deems it expedient also to caution persons at a distance against being misled by individual impressions of imperfect information, and against supposing that there exists at present in Natal such a demand for labourers would supply by its profits, to persons without capital, the means of proceeding into the interior.

By His Excellency's command,

D. ERSKINE,
Colonial Secretary.

Colonial Office, Natal,

ZIJNE Excellentie de Luitenant Gouverneur heeft gelast bekend te maken, dat in de Haven van Port Natal Twee Schepen van Australie zijn aangekomen, met een aantal passagiers, die aan zekere ambtenaren van deze Regering te Durban hebben medegedeeld, dat zij naar Natal gegaan zijn onder de in Australie wijd en zijd verspreide misvatting dat wat aldaar genoemd worden "Winst opleverende Goudvelden" aanwezig zijn of in Natal of in het land van het Opperhoofd Moselikatse op een afstand van ruim acht honderd mijlen in het binnenland van Afrika en voorbij het grondgebied van de Transvaal of Zuid Afrikaansche Republiek.

De Luitenant Gouverneur acht het daarom raadzaam het Publiek, beide in Natal en elders, in 't algemeen te doen weten, dat dit Gouvernement niet in 't bezit is van blijken van het bestaan van Gond in voordeelgevende hoeveelheden hetzij in Natal of in de bedoelde gewesten, ofschoon er Goudhoudende plekken zijn gevonden in beide.

De Luitenant Gouverneur acht het dienstig hen die zich op verren afstand bevinden te waarschuwen tegen misleiding door individuele indrukken of gebrekkige berigten en tegen de veronderstelling als zoude er tegenwoordig in Natal zooveel arbeiders zijn dat lieden zonder Kapitaal uit de overwinst van hun arbeid de middelen zouden kunnen vinden om zich naar het binnenland te begeven.

The Premiums are payable yearly in advance; or at the option of the Assured, half-yearly, with a slight increase of the Rate.

This being a MUTUAL ASSURANCE SOCIETY, the profits are not, as in Proprietary Companies, divided between the Partners and the Assured,—the *whole* belong to the Policy-holders.

The Profits are divided amongst the holders of Policies at the termination of every period of THREE YEARS, and each holder may determine that his share shall be added to the sum assured by him,—or converted into Present Payment—or applied in Reduction of the future Annual Premiums payable by him.

The last Division was declared at the Annual Meeting held on the 6th July, 1868. The Profits then divided were at the rate of 2½ per cent. per annum, or 7½ per cent. for the three years. Thus a Policy of £500, taken out before 1st November, 1865, has £37 10s., three years' Profits added to it; a Policy of the same amount, taken out before, 1st November, 1867, has £12 10s., one year's Profits added; while the total accumulated Profits on a Policy of £500, taken out in 1845, the first year of the Society's existence, now amount to the large sum of £[illegible] 0s. 4d.

The next Division of Profits will take place in July, 1871.

Persons proposing for assurance will be required to produce *Certificates of Baptism*, or such other proofs of age as the Directors may deem to be satisfactory.

Candidates for assurance are *not* charged with fees payable to the *Medical Officers* of the Society.

Prospectuses, Forms of Proposal, and all information respecting the Society may be obtained at the Office in Cape Town, or at any of the Agencies throughout the Colony.

By order of the Board,

J. C. GIE, Jun., Secretary.

This Company having a Revenue from Premiums alone of One Hundred and Forty Thousand Pounds per Annum, is in a position to transact every description of LIFE ASSURANCE on as favourable terms as any *other Company* of equal standing.

Holders of Life Policies on the profit scale, who may hereafter fill confidential situations and require to be guaranteed, may secure considerable reductions in their life premiums, by making their life policies contingent on the continuance of fidelity.

Three fourths of the Profits are divisible amongst the Policy-holders on the "Profit Scale of Premiums," affording the advantages of Mutual Assurance, with the further security of a large subscribed capital, the prudent employment of which gives a greater ratio of increase to business and to profits than a purely Mutual Society can achieve.

Assurances are granted for £10,000 on a single life.

Premiums may be paid in one sum, or yearly, or by half-yearly, or quarterly instalments.

Policies upon which five years' payments have been made, are purchased by the Society or the Policy-holders, if unable to continue paying, may receive fresh Policies in exchange (on which no further payment is required), equivalent to the then value of the Premiums already paid.

On Policies amounting to £200 and upwards for the whole of life, one-half of the Premium may remain unpaid at Interest for five years.

No extra Premium charged for voyage to and residence in any part of Europe, New Zealand, Australia (except at the "Diggings,") the Cape Colony, or British America.

This is the only Society transacting Life Assurance with Fidelity Guarantee, whose Policies of Guarantee are authorized (by Special Act of Parliament) to be accepted by Government.

The Guarantee Policies of this Society are accepted by the Treasury, Poor Law Board, and other public departments, and by the leading London and Provincial Joint-Stock and Private Banks, the principal Railway Companies, Life and Fire Offices, Public Companies, Institutions, and Commercial Firms throughout the Kingdom.

Immediate Annuities payable during the whole Life may be purchased on the following Scale

Annuities granted at the undermentioned Agents for every £100 of Purchase Money.

3. Het Origineel eener Boodschap moet, tenzij bij speciale vergunning, in de Engelsche taal zijn en wordt niet aangenomen, tenzij geschreven op den vorm der Maatschappij en in zulke duidelijke letters, als welke door den Ambtenaar van ontvangst zonder moeijelijkheid kunnen gelezen worden, en die geene zamentrekkingen, noch verkortingen, noch samenstellingen, die niet in algemeen gebruik zijn, inhouden. Boodschappen in karakterschrift worden niet aangenomen.

NOTICE is hereby given that the Estate of HENRY MUNDELL, of the Division of Fort Beaufort, has been placed under Compulsory Sequestration by order of the Eastern Districts Court, bearing date the 27th day of April, 1869, upon the petition of the Trustees of the Fort Beaufort and Victoria Bank.

J. STEUART, Master.

VICTORIA, by the Grace of God of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith,

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy, greeting.

WHEREAS upon the Petition to the Honourable the Chief Justice and the Judges of our Supreme Court of our said Colony, of FRANS JACOB BROERS, in his capacity as Secretary to and acting for and on behalf of the Board of Executors, of Cape Town, against CHRISTOPHER THOMAS ELMSTONE, heretofore of Cape Town, it appears that the said CHRISTOPHER THOMAS ELMSTONE is justly and truly indebted to the said Board of Executors in the sum of eight hundred pounds sterling, with interest thereon, at the rate of 6 per cent. per annum from 1st January, 1868, being the balance due upon and by virtue of a certain Mortgage Bond, originally for the sum of one thousand pounds sterling, bearing date the 24th of December, 1862, passed and executed by the said CHRISTOPHER THOMAS ELMSTONE in favour of the said Board of Executors; and that the said CHRISTOPHER THOMAS ELMSTONE did, in the year 1864, depart from this Colony, and, being out of this Colony, remains absent therefrom, with intent to defeat or delay his Creditors in obtaining payment of their Debts, and did thereby commit an act of Insolvency; whereupon the said FRANS JACOB BROERS, in his said capacity, prayed that the Estate of the said CHRISTOPHER THOMAS ELMSTONE might be sequestrated for the benefit of his Creditors: And whereas it further appears to us of record that the Honourable PETRUS JOHANNES DENYSSEN, Esq., one of the Judges of the Supreme Court of our said Colony, did, by order under his hand, bearing date the 29th day of April, 1869, place the Estate of the said CHRISTOPHER THOMAS ELMSTONE under Sequestration in the hands of the Master of the said Court, until the same should be thereafter adjudged to be sequestrated or the said petition should be discharged:

Now, therefore, we command you that you summon the said CHRISTOPHER THOMAS ELMSTONE that he be before our Justices of the Supreme Court of our said Colony at Cape Town, on the 2nd day of August, 1869, at 10 o'clock in the forenoon, to show cause, if he have any, why his Estate should not by sentence of the said Court be adjudged to be sequestrated for the benefit of his Creditors, and return you then there this Writ, with whatever you have done thereon.

Witness: The Honourable SYDNEY SMITH BELL, Esq., our Chief Justice of our said Colony at Cape Town, this 1st day of May, 1869, in the 32nd year of our Reign.
